

Disability Access Information for Graduation

Graduates with Disabilities

Graduates with disabilities that need disability related accommodations for the graduation ceremony should complete this online [Accommodation Request for Graduates Form](#) by **May 11, 2018** for mobility assistance, an American Sign Language interpreter, or other accommodations. You may also contact the DSPS office for additional information.

Guests with Disabilities

There will be a section with reserved accessible seating located at the front (southeast side) of the pavilion. The seating is available on a first come first serve basis so it is advised that any guests needing accessible seating arrive early. Access will be given to the guest with a disability plus 2 additional guests. Once the section is **FULL** it will be closed.

Interpreters will be on stage for graduation at the Oregon Pavilion. The ASL interpreters will be on the right-hand side as you face the stage. There will be a limited amount of seats reserved for Deaf Guests in the accessible seating area. Please arrive early for optimal seating.

Accessible Parking

Candidates or guests with State of California disabled parking permits may park in any legal stall in Balboa Park. There are a limited number of accessible spaces reserved in each of the parking lots.
