Classroom Emergency Phone Call Boxes

The red call boxes are for emergency use only and connect directly to College Police Dispatch.

Press the button to connect you with dispatch. The line will remain open until disengaged from dispatch site.

When calling for help:

1. Give the location. (While the system will provide this, your immediate disclosure is very important.)
2. Give your name.
3. Describe the situation clearly and accurately
4. Respond to questions/instructions given by College Dispatch.

These instructions will be posted by each call box.
