The Office of Student Affairs is committed to providing students, faculty and staff with a welcoming supportive campus environment. Student Affairs offers students a wide variety of services, from Financial Aid to Student Government, clubs, and organizations.

**Student Activities and Leadership**

The Office of Student Affairs offers assistance with activities for students outside of the classroom and with student leadership, including advising the Associated Student Government, clubs and organizations. San Diego City College typically has 25-30 vibrant student clubs on campus each semester. If you are interested in joining or forming a club, contact the Office of Student Affairs. Check out our Master Calendar of activities too!

**Student Rights and Responsibilities**

Student conduct issues and student complaints (other than instructional) are processed through Student Affairs. Faculty concerns about students may also be addressed to Student Affairs for consultation and/or resolution.
