Summary

Present:

Midterm Report:

The latest version of the Midterm Report was distributed to committee members for review/comment. Randy indicated that we will need to collect evidence of SLO discussions from individual group meetings. Surveys pertaining to #6 and #7 are in progress. The Technology Plan (Robbie Ewell) is pending. Randy will confirm MPAROC-approved Master Planning/Program Review cycle and timeline.

Corrections were made to the SDCC Accreditation Steering Committee (page 4). It was noted that the assistants to the VPs are included in the list and will need to be deleted. Also the new AS president, Carolina Moreno, will be included and Daniel Caldera (former AS president) omitted. Other corrections include:

Page 13, third bullet: Development of Title V Grant and First Year Services (R2-12)
Page 18, last paragraph: Delete sentence: “We are working with Taskstream mentors…”

It was noted that the SDCC outcomes link (R2-13) on page 44 is not functioning. Dotti will follow up.

Committee members reviewed the document to replace passive grammar into active/present-tense language. Several other changes were made for reasons continuity and clarification.

Processing:

The Midterm Report will be presented to MPAROC, President’s Cabinet, and the senates before going to the Board. The BOT will convene a subcommittee to review the report; however, they do not have the authority to revise the report.

Spring 2013 Meeting Dates:

No meetings planned at this time. Additional meetings will be scheduled as we move toward planning of the 2016 Self Study.
