ADDING CLASSES (CRASHING)

To add (crash) a class after classes have started, students must obtain an "add code" issued by the instructor on or after the first day of class. Add codes must be processed by the add deadline, and fees paid in full to be considered officially enrolled.

- Add codes for Special Admission part-time high school and Joint Diploma students must be processed in person in the college Admissions Office prior to the add deadline.

Note: If an instructor finds that a student has given his/her add code to another student, the instructor may administratively drop the student.

ASSESSMENT

Assessment is a process that includes tests and other measures to assist students in selecting courses best suited to their abilities and educational goals.

Specifically, assessment helps students identify their skill levels in English, ESOL and mathematics to ensure proper course selection. All new students should go through assessment and orientation unless they already possess an associate degree or higher.

- Special assessment is available to students if English is not their native language and /or they speak, read and write their native language most of the time. Students can contact the Testing Office for an appointment at:
 - City College 619-388-3540
 - Mesa College 619-388-2718
 - Miramar College 619-388-7379
- Placement test results are available on Student Web Services at <http://studentweb.sdccd.edu>. Click on the Registration link and select "View Your Placement Level."
- Beginning Fall 2010, a pilot program will allow students to bring or send official copies of their SAT, ACT, EAP, EPT and/or ELM report to determine readiness for English 101 or 105 and for courses with a Math 096 prerequisite. Following are the tests and acceptable minimum scores:

Test	Minimum Required Score
SAT – Engl	550
SAT- Math	560
ACT - Engl	24
ACT - Math	23
EPT	151
ELM	50

It is also accepted by some private/independent or out-of-state universities. IGETC is usually recommended for students who intend to transfer to a UC campus, or who are not yet sure of where they plan to transfer. For detailed information on IGETC, click on the "Resources" link in the Online Schedule of Classes at:

<http://schedule.sdccd.edu>

Interested in transferring your college credits?

<http://www.assist.org> is an online California student-transfer information system that shows how course credits earned at one public California community college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California's public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

MATRICULATION SERVICES

The college matriculation program is designed to help students succeed in their academic program. To "matriculate" means to enroll and to commit oneself to an educational goal. Thus, matriculation is a process that requires a commitment on the part of the college as well as the student. See the 5 Steps to Registration.

MESSAGES FOR STUDENTS

The college will not interrupt classroom instruction to deliver messages except in an extreme emergency.

MILITARY BASE CLASSES

Due to heightened security on military installations, a listing of all students attending classes on a military base must be provided to base officials for students to obtain entry onto the base. The list will be provided by the District and will include all students and their student ID numbers enrolled in classes on the base, regardless of their affiliation or non-affiliation with the military. IT IS THE STUDENT'S RESPONSIBILITY TO DROP BY THE PUBLISHED DEADLINES.

OFF-CAMPUS CLASSES

City, Mesa and Miramar Colleges offer classes at off-campus sites throughout the community using facilities such as public schools, churches, hospitals and offices. PASS/NO PASS GRADING OPTIONS

Students may also select the Pass/No Pass (P/NP) grade option when registering. This option must be selected by the published deadline posted in the online schedule of classes. Classes eligible to be taken for Pass/No Pass are designated in the schedule with a pound symbol (#). Details on Pass/No Pass grading options are available in the college catalog.

Example: January 7, 1986 = 010786
- Once a birth date is entered, students will be asked to assign themselves a PIN.

- This number is required each time Reg-e is accessed.
- If a student forgets his/her PIN, he/she must go the Admissions Office with a picture ID to reset the PIN. Staff members do not have access to student PINs.
- To ensure the confidentiality of student records, students should not share their PIN with anyone, nor print it on any document.

PREREQUISITES, COREQUISITES AND OTHER LIMITATIONS ON REGISTRATION

All prerequisites, corequisites and limitations on enrollment as stated in the course descriptions of the college catalog will be strictly enforced at the time of registration. Students who do not meet the requisite requirements according to the college's records will not be permitted to register for the course.

To avoid registration delays, students who believe they have met the prerequisite at another institution are strongly advised to have all official transcripts of prior college work and other documentation on file well in advance of registration.
- Students may FAX copies of unofficial transcripts, or grade reports from prior institutions strictly for the purpose of clearing prerequisites prior to registration to the San Diego Community College District, Student Services Office at (619) 388-6946. On the fax cover sheet students must be sure to include the course they are trying to clear the prerequisite for, their name, ID, date of birth and a daytime phone number on the cover page.
- **Placement Testing**
Students may clear English and math prerequisites by taking the placement test and scoring at the required skill level. For example, if a student takes the English placement test and scores Writing 5 (W5) and Reading 5 (R5), he/she will have met the prerequisite for English 101. Contact the Counseling Office for more information.
- **Prerequisite Challenge Procedure**
Students who believe they have met a prerequisite through means other than course completion, such as private instruction or on the job training, may challenge a prerequisite, corequisite or limitation on enrollment. Contact the Admissions or Counseling Office to obtain a Petition to Challenge and a copy of procedure 5500.2. The completed petition must be filed no later than 10 working days

prior to the published add deadline for the course being challenged.

▪ **DEFINITIONS**

Corequisites are courses that must be taken the same semester as another course.

Limitations on enrollment are other restrictions that are stated in the catalog course description such as "not open to students with credit in . . ."

Advisories are departmental recommendations to be completed prior to enrolling in the course. Advisories do not prevent a student from enrolling, but are strongly encouraged by the department for a student's academic success.
