2014

To Our City College Family:

The City College Classified Senate sponsors an annual Adopt-a-Family benefit to support City College students and their families. Through Adopt-a-Family, select families will receive gift cards good for: holiday meals, clothing, and local marketplaces. Gifts will be awarded before the semester ends.

Students will apply during the fall semester (through Student Affairs) and applications will be reviewed after December 1. The criteria used in the selection process is based on 1) enrollment, 2) total units, 3) number of dependents, 4) single-parent status, 5) income and, 6) other special circumstances. The process of choosing the families will be very difficult as the economy constantly reminds us of the struggles that people go through during the holiday season.

In order to help all the families we can, we are accepting donations from our college community during these days before the holidays. You may submit a donation (gift cards, cash/check, other) in the following ways:

1. Send/Place in Classified Senate mailbox in City College Mailroom, A-8
2. Send to (or visit) Yvonne Schmeltz, AH-519A
3. Send to (or visit) Angela Inthisane, E Building
4. Send to (or visit) Awana Payne, E Building
4. Send to (or visit) Neary Sim, MS-551

* Please make checks payable to SDCC Classified Senate. No donation is too small!

Thank you for your consideration.
