Conference took place
December 5th-7th. It was an
exciting time in Irvine,
California where over 150
classified staff from across the
state of California gathered to
share experiences and learn
about how to build a stronger
community for everyone, all
while experiencing and
learning about how decisions
are made at the state level for

creative community. There are so
many facets to this campus that
keep my curiosities peaked. Also,
it's location downtown is
accessible to many other
activities.
Q: Who at City College has
influenced you?
There are many that have done so
in a variety of ways, from their
continued dedication and genuine
supportive assistance to make my
job here worthwhile. There is/was,
Terrance B, Winston, Les Nimmo,
Mary Granderson, Brenda,
Cicero, Joyce, Earline Barrett,
Carmet & Curtis Lard, CC,
Candice Lopez, Andrea Singer,
Julie Willits, Patty Fernandez,
June, Ana, Blanca, Darrell C,

Greg D, Angela, Patricia, Marcia,
Berta, Nancy, Heidi, Shir G, Gail,
John G, Barbara B, Charlene,
Trudy G, Yvonne S., and recently
added influences are Robert H,
David K. There are countless
others whose names I'm unable to
recall at the moment. So there you
have it, who consist of mostly all
that I've had the pleasure of
working with in some capacity
and all have influenced me. (and
I'm not easily influenced, I don't
think??)
Q: Are you pursuing a degree?
If so, what is the degree? How
will this degree help you at City
College?
Yes, I'm still pursuing a degree
and may have enough credits to
complete that pursuit in the near
future. Not sure what it would be
in, but it may convince some that
I'm worthy of more in life.
Q: Tell us a little bit about what
you do outside of City College.
Outside of City, I have my family
and I enjoy teaching them about
enjoying all of life's treasures, i.e.,
The Green Bay Packers!!! I also
have Graphic Design work and
when time allows engaging in my
other endeavors (photography,
drawing, etc.).
Q: Tell us about the most proud
moment in your life.
Other than father my wonderful
son and daughter, there was the
time in elementary school where I
entered and won an art contest for
a Fathers' Day drawing
sponsored by Sears in Milwaukee
and was able to get him a gift with
my winnings. Here at City
College, I was recently chosen as
one of the Agents of Change for
our Centennial Celebration by
being on the MTS Trolley. What a
blast!
Q: What tips would you like to
share with the staff of San Diego
City College?
Hey you large PDF file hogs,
when saving your files as a PDF
for presenting on the web in most
application you can check the
option to reduce file size by
optimizing before saving.
Q: Please give us a final
thought/quote you would like to
share with San Diego City
College.
I live by an old Kool and the Gang
song that simply says, “Love the
Life you Live so you can Live the
Life you Love!” He drops the
mike and exits...
Stop by the Open Lab in the Arts
and Humanities Building to catch
Mr. Eugene Brown in action. Be
ready, because he welcomes you
into a deep conversation about life
and/or chatting about best
practices.
