1. Do you need to enter 2014/2015 Student Learning Outcomes (SLOs) or Administrative Outcomes (AOs) into Taskstream? Bring your data for hands-on support.

2. Do you have a list of CurricUNET objectives in Taskstream that need to be converted into Student Learning Outcomes, or new courses that need SLOs?

3. Would you like to talk about different assessments (methods) for measuring the same SLOs? Let’s do it!
