Title V Grant
World Café Summit

Friday, January 23, 2015 | 9:00 am - 12:00 pm
MS Building: Corporate Education Center

Participants will collaborate in developing the next Title V Grant

Staff, Faculty, Administrators and Students Needed!

Our mandate is to design high impact, research-based policies and practices that will remove barriers to student success. We will work collaboratively to address the following important questions:

- What might be contributing to student success?
- What might be detracting from student success?
- What are some high impact solutions to these barriers?
- What can be done to increase success in Gatekeeper Courses?
