### Construction Updates

On City’s homepage under About City College, simply click on the Construction Updates on lower left column. For all construction project updates and notices, please go to: [http://www.sdcity.edu/buildingupdates/default.asp](http://www.sdcity.edu/buildingupdates/default.asp).

---

### Submissions

Please submit ALL Bulletin articles directly to Erin Flanagan and Barbara Butler in the President’s Office by 12:00 p.m. on Thursday one week prior to publication.

Thank you.

Campus Events
Many new events are added throughout the semester. To add an event to the campus calendar or to promote your event under STUDENT ANNOUNCEMENTS, simply click on the Webmaster link at the bottom of the www.sdcity.edu home page and provide information on your event. An event flyer can be attached also. Check the campus calendar at www.sdcity.edu/events.asp.

Saville Theatre: www.sdcity.edu/savilletheater

World Cultures: http://www.sdcity.edu/worldcultures

Friday, April 1- Sunday April 17: Theatre production: "Joseph and the Amazing Technicolor Dreamcoat", Saville Theatre, Friday and Saturday at 8:00 p.m., April 1, 2, 8, 9, 15, 16
Sunday Matinees: April 3, 10, 17 at 2:00 p.m.
Tickets: $10 and $15

San Diego Opera Ticket Initiative for Students
San Diego Opera offers a wonderful program that benefits young adults in our community as well as the arts. The Student Ticket program provides an invaluable and much appreciated service to college and university students in our community by giving them an opportunity to attend top-quality, main-stage opera productions for a nominal fee of $15 per ticket. Thanks to the generous underwriting of these tickets from our donors, more than 5,000 college students have experienced opera since the program began in 2002.

Full-time college/university students are welcome to register on our website to receive information on student tickets:

www.sdopera.com/sti

When we do release a Student Ticket Offer, students who have registered are made aware via an e-blast. These tickets are very popular and they sell fast – so it's best to respond to the e-blast as soon as possible.

For questions regarding the program, please contact Heide Pedersen, Student Ticket Coordinator for the San Diego Opera at:

San Diego Opera
1200 Third Avenue, Suite 1800
San Diego, CA  92101
Phone: (619) 232-7636  |  Fax: (619) 231-6915

Women’s Scholarships for 2011-2012
Dimensions, a San Diego women’s organization, is offering four scholarships for women for the 2011-2012 academic year.

Women applying must meet the following criteria:

1. Must be attending San Diego City College and have completed at least 30 credits.
2. Must be returning to school after an interruption in education, due to work, raising children, or other personal reasons.
3. Must be planning to continue education at either a four year college or attend professional training.

APPLICATIONS MUST BE POSTMARKED BY APRIL 8, 2011

To download application go to:
http://www.sdcity.edu/CollegeServices/StudentSupportResources/Scholarships/ScholarshipList/ScholarshipsthatCloseEarly (Ruffo)
Campus Emergencies

CAMPUS EMERGENCIES—Seconds Count!

1. For a life threatening situation, call 9-911 from any non-pay campus telephone. You may just dial 9-1-1 from a pay or cell phone.

2. Contact COLLEGE POLICE DISPATCH at 388-6405. You don’t need to memorize this number—IT IS THE RED LETTERS ON YOUR CAMPUS PHONE. PRESS THIS BUTTON. PROGRAM POLICE DISPATCH NUMBER INTO YOUR CELL PHONE—-(619) 388-6405. Please---DO IT NOW!

3. Remember that the police on campus are the FIRST RESPONDERS for emergencies. They are the ones who patrol our campus, and know how to dispatch help to various campus locations, are CPR certified and have defibrillator access (AED). They assure that paramedics can locate the victim and assist in transport of the victim to an appropriate medical facility.

4. Please do not delay emergency care for the victim by first seeking out a Health Services nurse or by going to City Campus Police Offices or by calling the City Police Business Office. This wastes precious seconds in an emergency which may delay the Emergency Team response (paramedics) and District Dispatch.

5. Remember; call 9-911 from Campus phones, 9-1-1 from your cell or pay 388-6405 for District Police Dispatch.

All incidents should be reported to Student Health Services and an accident report completed by the student to have District Accident Insurance Coverage recapture costs possibly incurred by the student.

QUESTIONS? Call us in Student Health at X 3450.
Thank you for reading this reminder!

Rape Agression Defense
Basic Self Defense Training

Presented by:
The SDCCD Police Department

April 2, 2011
April 9, 2011

This is a free 12 hour program (must attend both sessions) and is offered to females ages 14 and older. The Rape Aggression Defense is a program of realistic self-defense tactics and techniques.

The R.A.D. Systems is a comprehensive, women-only course that begins with awareness, prevention, risk reduction and avoidance, while progressing on to the basics of hands on defense training. Our courses are taught by nationally certified R.A.D. instructors.

To register contact:
Officer DeAnn Griffin
Phone: 619-388-3461
E-mail: dgriffin@sdccd.edu

More information about the RAD program can be found on their website at:
http://www.rad-systems.com

Class Location:
City College
Harry West Gym
Classroom #205
Classes will be held from
8:30 a.m. to 3:00 p.m.
Friday, April 1 - Sunday April 17: Theatre production:
Joseph and the Amazing Technicolor Dreamcoat,
Friday and Saturday at 8:00 p.m., April 1, 2, 8, 9, 15, 16
Sunday Matinees: April 3, 10, 17, at 2:00 p.m.
Tickets: $10 - 15,
Contact: June Richards at jurichar@sdccd.edu

| Infrastructure | $10,000,000 | UMEC/Engineering | CD | 90% | DSA Submittal 4/14/10  
Stamp Out ETA 4/26/11 |

**Description:** The design team has completed the response to the DSA comments, and the resubmittal design package backcheck appointments have been held for Access Compliance and Fire/Life Safety. Structural comments have been addressed and were submitted to DSA on January 18th. A DSA backcheck appointment was held February 15th, and due to scheduling conflicts with DSA final Stamp out is anticipated for the week of March 11th. The design team will continue to meet with the users to finalize the interior finishes and colors. The project team is in the process of developing the bid packages in anticipation of a bid advertisement at the end of March.

**Description:** The Central Plant Building DSA Set is complete, and was submitted to DSA on 4/14/10. Based on DSA comments, a revised Geotech report is required before DSA will stamp their approval of the design. In order to obtain the revised Geotech report, the contractor has completed the over excavation and recompaction of the building pad, and the Geotech Engineer has started to finalize the revised geotech report. This report should be completed within the next two weeks, and then submitted to DSA for review and approval. It is now anticipated that DSA stamp out of this design package will occur by 4/26/11.

DSA Stamp Out ETA 9/20/13 |

**Description:** The Design team continues with the programming design phase. **Current Issues:** The Design team continues with the programming design phase. A meeting was held on January 14th to review requested space versus available space. As a result of this meeting, the City College administration will be able to work with their departments to make adjustments to requested space with the goal of fitting into available space. Final space requirements were due by February 18, however not all of the departments have submitted them to date. Until the final space requirements are submitted, the project cannot proceed with a design build RFP. The project is now anticipated to have a Design Build RFP advertised sometime in August of 2011 with a design start ETA of late September.

| Percent Complete: | 100% | DSA Stamp Out: | DSA Submittal on 12/22/11  
DSA Stamp Out ETA 8/01/12 |

**Description:** The design team continues with the DD phase of design. The anticipated cost of the new roofing pedestal system, as well as the additional cost of the ceiling replacement in the space below, have caused a significant increase to the project estimate. While the design documents have been approved with comments, and the design team can proceed with the CD phase of design, there is some discussion on whether this project will need to be coordinated in conjunction with the M bldg project. Progress with design is pending a fault study for the M building project.

DSA Stamp Out ETA 11/16/12 |

**Description:** The design team has met with the users to verify final space programming before proceeding to the conceptual design phase. A potential phasing plan has also been submitted by the Design Build team for the relocation and renovation of the Radio Station and Journalism Department. This plan has been approved by the District, and the Design Build team has begun meeting with the C Bldg. design committee to develop a feasible construction phasing plan. Final programming draft documents will be submitted to the District by March 4, 2011. Once the District reviews and issues approval, the project can proceed to the conceptual/schematic design phase of the project.

DSA Stamp Out ETA 11/12/12 |

**Description:** Programming meetings have been held to establish space needs for each program. Due to the potential of seismic faulting in the vicinity of this part of the campus, these programming meetings are on hold until a fault study can be performed. Based on the findings of this study, the design team will need to evaluate the occupancy classification for the new building program, and there has been some discussion regarding whether or not this project needs to be coordinated in conjunction with the D building roof project. The District has solicited price proposals for the fault study, and once received the fault study will be done. It is anticipated that this will take place within the next two to three weeks, and a fault study could begin as early as April.
