Rising to New Heights in Education
Dear Student,

The San Diego Community College District (SDCCD) Financial Aid Bulletin is intended to help you understand the timeline and policies of processing financial aid. We hope you will review the Bulletin carefully before applying for aid for the 2015-2016 academic year.

The SDCCD provided approximately 33,469 students with nearly $83,499,683 in aid during 2014-2015. Aid is available, and we encourage you to apply if you need assistance in meeting part of your educational costs. All students are encouraged to visit our campuses and to speak with our financial aid staff. Our entire staff is committed to providing you the best possible service. Best wishes in your future educational endeavors!

Philosophy and Goal

In keeping with the philosophy that no student should be denied a college education simply because of lack of funds, the Financial Aid and EOPS Offices of the San Diego Community College District are dedicated to assisting as many students as possible given the funding available each year.

The goal of the Financial Aid Office is to assist with financial concerns so that you might obtain maximum benefit from the educational opportunities available. The Financial Aid/EOPS Offices at each college recognize that your situation is unique and your application is carefully analyzed with complete confidentiality regarding your personal financial information.

Information regarding academic programs, facilities, faculty, student services, and the refund policy for tuition and fees are printed in the college catalog. You may obtain a catalog by contacting the campus bookstore.

Applying For Financial Aid

When to Apply

Apply for financial aid as soon as possible after January 1, 2015
Application materials are available at each campus Financial Aid Office in January for the 2015-2016 academic year. Application processing may take 4-6 weeks. When required, the Financial Aid Office will request additional information which may delay processing further. You will be notified by award letter of eligibility and disbursement dates.

December 1, 2014
You must request a Personal Identification Number (PIN) for FAFSA on the WEB: www.pin.gov

January 2, 2015
You may now file your application for Financial Aid and EOPS for the Fall 2015 and Spring 2016 semesters.

March 2, 2015
Deadline for new Cal Grant applicants to mail the GPA verification form for 2015-2016 to the California Student Aid Commission (CSAC). FAFSA or Dream Act applications must also be filed on this date in order to be considered for Cal Grant. Cal Grant GPA’s will be calculated and transmitted automatically for eligible college students.

April 15, 2015
Deadline for priority consideration for 2015-2016 Federal SEOG and Federal Work Study. The processor must receive your application by this date.

April 15, 2015 (per www.irs.gov)

July 1, 2015
Deadline for priority review of completed financial aid files for students in Good Standing based on the Financial Aid Satisfactory Academic Progress policy.

September 2, 2015
Deadline to submit a GPA verification for Community College Competitive Cal Grant. Cal Grant GPA’s will be calculated and transmitted automatically for eligible college students.

June 30, 2016
Deadline for Federal Pell Grants for the 2015-2016 academic year. The Central Processing System (CPS) must receive your application by your last day of classes for the term or June 30, 2016 whichever comes first. We strongly encourage you to apply early, in order to be considered for grant funds which may be exhausted.

* The Dream Act application is for certain AB540 eligible students as determined by the college Admissions Office.
Requirements

You should apply early for financial aid whether or not you have been accepted for admission to the San Diego Community College District. However, we cannot complete the processing of your application until you apply for admission to the college.

- You must be enrolled in a program of study leading to an associate degree, certificate of achievement, or transfer to a college/university or institution.
- **You must be enrolled in at least one class at the campus (City, Mesa, or Miramar) where you plan to receive your financial aid. Each campus is a separate institution and awards aid independently.**
- You are encouraged to follow an Educational Plan (see page 16) and to enroll only in classes towards your stated educational goals. You are also encouraged to receive financial aid from the campus that offers your declared major. Failure to do so could result in denial of financial aid.
- If your legal or mailing address is located in another state and you are enrolled in all online (web) classes, you may not be eligible for federal financial aid. Check in with your campus Financial Aid Office.
- You must meet and maintain the standards of satisfactory academic progress. Please refer to pages 16-17 for “How to Qualify For and Keep Your Financial Aid.”
- Some Federal and State programs require students to be a high school graduate. This means you must also pass the State High School Exit Exam if applicable.
- As of July 1, 2012 you must have a high school diploma, General Education Diploma (GED) or a State approved High School equivalency. With the elimination of the Ability to Benefit (ATB) regulations, students will no longer have the option to pass an ATB test or to successfully complete 6 core/degree applicable units to qualify for aid, unless they attended any college prior to July 1, 2012. Students, who had previously qualified under the ATB regulations, will continue to be eligible to apply for Federal Financial Aid.
- You must NOT be in default on any Federal Education Loan (Perkins, Stafford, PLUS, Direct), or any other Federal loan at any college or institution. If you are in default, see page 14.
- You must NOT owe a refund or repayment on any Title IV grant program (Pell, FSEOG, State Student Incentive Grant) at any college or institution.
- You cannot receive aid while simultaneously enrolled in elementary or secondary school (high school) and college. You cannot receive the same federal or state grants and loans from two separate colleges at the same time.
- You must have financial need as determined by the Federal Methodology.
- You must be a U.S. citizen or permanent resident of the United States or be in the country for other than a temporary purpose with the intention of becoming a permanent resident. You may be required to provide proof of U.S. citizenship. Eligible non citizens may be required to provide proof of permanent residency for federal aid. (Alien Registration Cards I 94, I 155, I 688 or U.S. Immigration and Naturalization letter granting asylum, etc.). Students with only “Work Authorization” status from the USCIS/DHS and the SSA are not Title IV eligible. International/Foreign Students (I 20 Visa holders) are also not eligible for financial aid. For further information regarding other eligible immigration status, please contact your Financial Aid Office.
- If you are a male, your Selective Service registration must be confirmed by the Selective Service agency, or you will be required to present a letter from Selective Service indicating that you have registered with the Selective Service System, or that you are not required to register.
- You must provide proof of a valid social security number if requested.
- You can only receive financial aid for up to 1 repeat of any course with a passing grade (“D” grades are considered passing for purposes of repetition).
- You will be ineligible for a period of time if you are convicted for the possession or sale of illegal drugs for an offense that occurred while you were receiving federal student aid.
How to Apply

There is no fee for applying for financial aid.
The Free Application for Federal Student Aid (FAFSA) is an all-purpose application for the following programs:
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work Study Program (FWS)
- Board of Governors Fee Waiver (BOGW)
- Cal Grants A, B, or C
- Extended Opportunity Programs & Services (EOPS)
- William D. Ford Federal Direct Loans
- Parent Loan for Undergraduate Students (PLUS)
- TEACH Grant (not available at the SDCCD)

The following programs require you to complete a separate application:
- Extended Opportunity Programs & Services (EOPS)
- Parent Loan for Undergraduate Students (PLUS)
- Private Alternative Loans (Not Federal or State aid)

The following programs require you to submit a supplemental form:
- William D. Ford Federal Direct Loan
- Cal Grant
  - Applicants who have completed 16 or more degree applicable units will have their GPA automatically calculated & submitted electronically to CSAC by March 2, 2015 and September 2, 2015.

*NOTE:* Any student who does not meet this criterion must have a GPA verification form completed by one of the following:
- High School registrar
- Appropriate official at previous college of attendance

*NEW* The FSA ID [a username and password] has replaced the Federal Student Aid PIN and must be used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents. If you do not already have an FSA ID, you can create one when logging in to fafsa.gov.

IRS Tax Transcripts
- To request an IRS Tax Transcript, students can call 1-800-908-9946 or order online at http://www.irs.gov (in the “Tools” section, select “Order a Return or Account Transcript” or choose to print the document).

Re-Applying for Aid
(To be re-considered for aid) You must re-apply for aid each year. You may do this by completing the on-line FAFSA application at www.fafsa.gov or completing a new paper FAFSA and mailing it to the processing center.

Because most continuing students are now reminded to re-apply for aid online, the processing center has discontinued paper Renewal FAFSAs and the paper Renewal FAFSA request process. You may access your renewal application data using the Renewal FAFSA on the website.

To renew your Cal Grant you must complete the renewal application, a new FAFSA or CA Dream Act application (for those eligible). Keeping your Cal Grant award from year to year requires that you maintain satisfactory progress and meet any additional criteria established by the California Student Aid Commission and/or state legislation.

Methods of Applying

FAFSA
- FAFSA on the web at www.fafsa.gov (includes Renewal)
- FAFSA Worksheet – available at the Financial Aid Office
CALIFORNIA DREAM ACT of 2011
The California Dream Act of 2011, authored by Assembly Member Gil Cedillo (Los Angeles), became law through the passage of two Assembly Bills, AB 130 and AB 131.

- AB 130 allows students who meet AB 540 criteria (California Education Code 68130.5(a)) to apply for and receive non-state funded scholarships for public colleges and universities.
- AB 131 allows students who meet AB 540 criteria to apply for and receive state-funded financial aid such as institutional grants, community college fee waivers, Cal Grant and Chafee Grant.

Eligibility for the Board of Governor’s Fee Waiver (BOGFW) at the California Community Colleges became effective in January 2013. Eligibility for Cal Grant became effective beginning with the 2013-2014 school year.

AB540 students (Dreamers) may complete the DREAM Application at: http://www.csac.ca.gov/dream_act.asp

SCHOLARSHIP ELIGIBILITY (AB540)
Effective January 1, 2012, all students (including all AB 540 students) are welcome to apply for any scholarship unless otherwise specified by the donor. Students who do not have a U.S. Social Security Number, must apply for and obtain an Individual Taxpayer Identification Number (ITIN) once a scholarship is awarded. An ITIN is required by law and applies to third parties who receive a scholarship and/or grant over $600. This requirement is in compliance with the U.S. Treasury regulations.

Receiving Financial Aid

Dependency Status
The rules and regulations for determining dependency status are established by the U.S. Department of Education (Federal).

1. You are considered to be an independent student if:
   - you were born before January 1, 1992
   - you are legally married as of the day you sign the FAFSA
   - you are currently serving on active duty in the U.S. Armed Forces for purposes other than training
   - you are a veteran of the U.S. Armed Forces
   - you have legal dependents other than a spouse (as defined in the FAFSA instructions)
   - after you were age 13, both of your parents were deceased, you were in foster care or you were a dependent or a ward of the court
   - you are an emancipated minor as determined by the court in your state of legal residency
   - you were in a legal guardianship as determined by the court in your state of legal residency
   - after July 1, 2014, your high school or school district homeless liaison determined that you were an unaccompanied youth who was homeless
   - after July 1, 2014, the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development determined that you were an unaccompanied youth that was homeless
   - after July 1, 2014, the director of a runaway or homeless youth basic center or transitional living program determined that you were an unaccompanied youth that was homeless or were self-supporting and at risk of being homeless

2. All other students will be considered dependent and must provide parents’ information on their FAFSA application.

3. The unwillingness of your parents to sign or provide the required information or if you are self-supporting are not a valid justifications to be considered independent. If you feel you have an extenuating circumstance, please see the Financial Aid Office.
Determining Need

Determination of your financial need is based on information you provide on your Free Application for Federal Student Aid (FAFSA) or renewal application.

A student budget is an estimate of how much it will cost to attend college and support yourself during the period of attendance. Listed below are the student budgets for 2015-2016. Your actual costs may differ from our standard budgets.

- Tuition costs for non-residents will be added to the budgets.
- Loan origination fee of 1.073 % will be added when applying for a loan. [loan origination fees may increase at any time at the discretion of the U.S. Department of Education]

At the discretion of the Financial Aid Director or designee, adjustments may be made to an individual student’s budget to reflect special circumstances.

Your expected family contribution (the amount you and/or your parents are expected to contribute for educational costs) is calculated taking into account your taxable income, non-taxable benefits, and assets. This is then added to any expected parent contribution, calculated from their taxable income and non-taxable benefits and assets, if applicable, and is subtracted from your student budget.

The difference is your financial need. The family contribution is determined using a federal formula which takes into account the size of the household, the number of students attending college, your age and/or your parents’ age, as well as other factors. Any additional financial resources such as AmeriCorps, or any outside scholarships, BIA grants, fee waivers, etc. will be deducted from your financial need.

If you do not qualify for financial assistance but you have special circumstances such as loss of employment or income, separation or divorce, death of a parent, etc., please contact the Financial Aid Office.
Fees & Expenses

Enrollment fees and tuition are determined by the State Legislature and are subject to change.

There are two categories of charges:

1) Resident
   Enrollment Fee will be assessed to all students.
   • $46 per unit
     Example: 12 units = 12 x $46 = $552.00

2) Nonresident
   Tuition will be assessed if you are not a resident of California as determined by the Admissions Office.
   • $193 per unit plus Enrollment Fee
     Example for 12 units:
     12 x $193 = 2,316.00
     12 x $46 = 552.00
     Total nonresident fees for 12 units = $2,868.00

Other fees per semester:

Health Services Fee
$19.00 for City, Mesa and Miramar Colleges, and ECC.
The Health Services fee is only waived for BOGW recipients, who are currently receiving Supplemental Security Income (SSI), TANF, or General Relief; and to documented members of religious groups whom depend on prayer for healing.

Student Representation Fee (optional)
$1.00

Parking permit (optional)
Automobile .......................................................... $35.00
Financial Aid Students .............................................. $20.00
Multiple Car .......................................................... $30.00
Motorcycle ......................................................... $17.50

Associated Students Membership Card (optional)
$8.00 per academic year

Financial Aid Programs

This section provides a general description of the programs available within the SDCCD. Please contact your campus Financial Aid staff for detailed information.

BOARD OF GOVERNORS WAIVER (BOGW)
Enrollment Fee Waiver
(Does not pay the Health Fee)

As of 2015/2016, all students interested in applying for a BOGW must submit a FAFSA or CA Dream Act application.

The state funded Board of Governors Waiver provides funds to help low income students pay the enrollment fee. The enrollment fee is $46.00 per unit. The enrollment fee is subject to change based on California legislation. Students can only receive a BOGW during the academic year in which they apply.

You will be eligible for a BOGW if you are a California resident and any one of the following applies to your status at the time of enrollment:

- You have already qualified for financial aid such as a Federal Pell Grant or a Cal Grant.
- You or your family are receiving TANF (Temporary Assistance for Needy Families), or SSI (Supplemental Security Income), SSP (State Supplemental Program) or General Assistance/General Relief.
- You meet the Department of Veterans Affairs eligibility requirement of “certain disabled veterans or the dependents of certain deceased or disabled veterans.” You will have to apply to the Department of Veterans Affairs and obtain a letter of certification.
- You are a dependent of a deceased or disabled veteran of the California National Guard. You must submit a letter of certification by the California National Guard Adjutant General’s Office.

Additionally, you may qualify for special circumstances if you meet specific income standards. Please consult your Financial Aid office for more information.
Aid Office if you are unable to fill in a FAFSA or CA Dream Act Application.

You may also be considered an independent student and have your eligibility for the Board of Governor’s Waiver based on specific income standards, if:

- you do not live with your parents, AND
- you were not claimed as an exemption on any Federal income tax filed by your parents in 2014, AND
- Your income is below $17,235.

NOTE: Beginning with the Fall 2016 semester, students who have not met the college’s Satisfactory Academic Progress standards for two consecutive terms will no longer qualify for a BOGW the following term. This is based on new State regulations. You must earn at least 50% of units attempted with a minimum 2.0 GPA to meet minimum standards in order to be eligible and to retain your BOGW eligibility.

FEDERAL PELL GRANT
Filing deadline: June 30, 2016 or your last day of classes (whichever comes first)
The Federal Pell Grant Program is the largest Federal grant program and is the foundation of your total aid “package.” Eligibility is determined by the federal government using a standard formula for all applicants. Grant amounts may range from $581 to $5,775 per year. A Federal Pell Grant is awarded based on full time enrollment (12 or more units per semester). If you enroll in less than 12 units, your payment will be adjusted accordingly. Beginning on July 1st 2012, ALL Federal Pell Grant recipients are subject to Pell Grant eligibility for a maximum of 12 semesters (6 years) of grant disbursed as a Full Time student. If you have a bachelor’s degree, you are not eligible for a Pell Grant.

Enrollment status for final disbursement amount will be determined each semester after the full semester add/drop period and will be the basis for your Pell payment. Classes that are added after the add/drop period will not be counted for Pell Grant disbursement purposes. (See Disbursement of Aid & Enrollment Levels on page 11. For full disbursement dates see your campus’s website).

BOOKSTORE ACCOUNT
Prior to the beginning of each semester, a portion of your Federal Pell Grant can be allocated to an account in the bookstore up to a maximum of $882, (must be California Resident). The money in your account may be used to purchase books and supplies.

BUS PASS
You may be able to purchase a reduced-priced bus pass as your campus Accounting Office using your Pell Grant funds as well during the time that the Bookstore Accounts open. Please check with the Financial Aid Office on your campus for eligibility information.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)
Deadline to apply: April 15, 2015
The Federal SEOG program is designed to assist students with the lowest family contribution (EFC) by supplementing other financial aid sources. If you have a bachelor’s degree, you are not eligible for FSEOG.

FEDERAL WORK STUDY (FWS)
Deadline to apply: April 15, 2015
FWS gives you the opportunity to earn part of your financial aid by working in an assigned job, either on or off campus. The salary received is at least equal to the current minimum wage, but many FWS jobs pay more than minimum wage. As you work on the job, you submit time cards for the hours worked, just as you would at a regular job. Once a month you will receive a paycheck for hours worked the previous month. Once you have earned the amount allocated in your Federal Work Study award, or you cease to be enrolled in 6 or more units at your Financial Aid campus of record, your job ends. Federal Work Study awards may range up to $5,000 per year.

CHAFEE GRANT PROGRAM
The Chafee Grant is a federal program that is administered by the California Student Aid Commission to provide financial assistance to former Foster Youth. The applicant must be certified by the State Department of Social Services of their Foster Youth status until age 16. The grant has no citizenship requirement; however, non-citizens without a valid Social Security Number must call the CSAC for additional steps and information. The program awards a maximum of $5,000 per academic year. Renewal applicants must maintain satisfactory academic progress as defined by the school. Former foster youth must complete a separate application at: https://www.chafee.csac.ca.gov/SupportFiles/Chafee_FosterCareEligibilityForm.pdf
CAL GRANT A
This program, administered by the California Student Aid Commission (CSAC), helps low and middle income students with tuition/fee costs. Cal Grant A funds are not available until you transfer to a four year college.

New Cal Grant applicants must have their GPA sent to CSAC by the March 2, 2015 deadline.

CAL GRANT B
This program, administered by the California Student Aid Commission, helps very low income students attend college. You must be a California resident as of March 2, 2015. If you are transferring to a 4-year institution you may be considered for a special Cal Grant B. Grant amounts may be as much as $1648 per year. Award amounts may be adjusted by the California State Legislature.

New Cal Grant applicants must have their GPA sent to CSAC by the March 2, 2015 deadline.

CAL GRANT C
Filing deadline for new applicants: March 2, 2015
Cal Grant C is another program administered by the California Student Aid Commission for California residents who are enrolled in a vocational program and are from a low or middle income family. You must be a California resident as of March 2, 2015. Grant amounts range up to $547. New Cal Grant applicants must have their GPA sent to CSAC by the March 2, 2015 deadline. If you have a bachelor’s degree, you are not eligible for a Cal Grant A, B, or C.

The Cal Grant Program is not available to students accepted into the Comprehensive Transitional Program C2C.

THE MIDDLE CLASS SCHOLARSHIP (MCS)
The Middle Class Scholarship (MCS) is a new program beginning in the 2014-15 academic year that provides undergraduate students with family incomes up to $150,000 a scholarship to attend University of California (UC) or California State University (CSU) campuses. This program is not available for California Community Colleges.

EXTENDED OPPORTUNITY PROGRAMS AND SERVICES (EOPS)
The state funded EOPS program is designed for the recruitment and retention of low income, educationally challenged students who otherwise may not be able to attend college. A student is required to enroll in and complete at least 12 units a semester. EOPS may also provide many supportive services to eligible students such as: grants, book assistance, individual counseling and educational planning, tutorial assistance, financial aid application assistance, transfer assistance to four year colleges, personal growth and academic success workshops, ASB services, and emergency loans.

EOPS eligibility requirements and services are explained more fully on page 19.

FEDERAL DIRECT LOAN PROGRAM
The Federal Direct Loan is a federal loan program where you borrow directly from the Federal Government. The interest rate for new loans is a fixed rate which is currently 4.66 % for loans disbursed from July 1, 2014 to June 30, 2015. Please check with the Financial Aid Office for the interest rates for the 2015-2016 school year. New Federal regulations require schools to disburse loans only after the signed Promissory Note has been accepted. You are required to pay the Dept. of Education loan processing fees that are currently 1.073%. The fees are deducted from the proceeds of your loan.

For new loans first disbursed on or after July 1, 2012 through June 30, 2014, the federal government will no longer subsidize (pay) the student loan interest during the six month grace period. The grace period is the time between when the student graduates or drops below half-time status and the time when the student must start repaying the loan. Students are encouraged to check with their Loan Servicer for any available options to assist with their loan repayment.

To qualify, a student must be enrolled in at least six units, demonstrate Satisfactory Academic Progress for Financial Aid Recipients and must demonstrate financial need through the federal methodology using the FAFSA Application. To apply for a Federal Direct Loan, students must complete a mandatory loan entrance counseling session. Students must contact the Financial Aid Office or visit the College website for application procedures.

You may complete the entrance counseling session on-line at: www.studentloans.gov

The Financial Aid Office will be notified when the session has successfully been completed. In addition, you must fill out a Loan Request Form from your Financial Aid Office. You must complete an on-line multi-year Master Promissory Note at: www.studentloans.gov

You may also be required to submit an Educational Plan and be enrolled at the campus of your declared major. Please ask your Financial Aid Office for more information. The actual loan amount for which you are eligible will be determined by the Financial Aid Office. Funds will be disbursed twice per loan period.

If you are a first-time student or borrower, your check will not be disbursed until at least 30 days after the start of the semester. If you have “Late Start” classes, for loan funds to be disbursed, you must be actively attending classes in at least six units.
Congress approved a new lifetime limit on Subsidized Direct Loans for subsidized loans disbursed on or after July 1, 2013. Students will be limited to 150% of subsidized loan eligibility based on their program.

What does this lifetime limit mean for students?
The 150% change means students in a four-year program will be eligible for subsidized student loans for the equivalent of six years or three years for students in a two-year program. The San Diego Community College District is approved as a two-year program. The student who reaches this limitation could continue to receive unsubsidized Stafford loans if he or she is otherwise eligible (for example, has not run afoul of the school’s satisfactory academic progress requirements, or is in a group that is not eligible for an unsubsidized loan in the San Diego Community College District). However, if a student reaches the limitation, at that point, the subsidized loans borrowed lose their “subsidized” status.

The Student Loan Program is not available to students accepted into the Comprehensive Transitional Program C2C.

UNSUBSIDIZED LOAN (UNDER EXPERIMENTAL SITE PROVISIONS - ELIMINATION FOR CERTAIN GROUPS OF STUDENTS)
Effective within the 2012-2013 school year, San Diego City College along with Mesa College and Miramar College has been approved by the U.S. Department of Education to participate in an experimental initiative regarding “Overborrowing” that allows our college to reduce or eliminate Unsubsidized Loan eligibility and borrowing for certain groups or categories of students.

Based on this initiative, the following groups or categories of students will not be eligible to borrow Unsubsidized Loans:

1st Year Students
- 1st year is defined as students who have completed less than 24 units in their current program or major based on their educational plan.
- Units that will be counted towards the 24 units will be units that fulfill the major, general education and district requirements for the current program or major based on the educational plan.
- Units that will not be counted towards the 24 units are units that are basic skills or remedial, ESOL, electives or any other units that are not applicable to the current program or major based on the educational plan.

Students Approved on a Financial Aid Appeal
Students who have an “Unsatisfactory” status (Disqualified) for any reason and who are approved on appeal will not be eligible for an Unsubsidized Loan.

PLUS LOAN
If you are a dependent undergraduate student, your parents may borrow from the PLUS loan program. The amount borrowed may be up to the Cost of Education (page 6) minus any financial aid. Checks will be mailed to the borrowing parent. Parents must begin repayment within 60 days of receiving the full disbursement of the loan. The interest rate is a variable rate determined on June 1 for the following award year. The student must file a FAFSA and meet all other financial aid eligibility requirements, including an online application. Please contact your campus Financial Aid office or web page for detailed instructions.

ENTRANCE AND EXIT LOAN COUNSELING
Federal regulations require that all student loan applicants complete an entrance counseling session (see Federal Direct Loan Program) and if you cease to be enrolled in at least 6 units with the San Diego Community College District you must complete an exit loan counseling session. It is your responsibility to notify your Financial Aid Office if you drop below 6 units during the semester. At the time of the counseling session you will be given information about your loan obligations and repayment options. You may complete the exit counseling session online at: www.studentloans.gov

DIRECT LOAN REPAYMENT OPTIONS
There are several different ways to repay a Federal Direct Loan.
Standard Repayment Plan
A fixed monthly repayment amount for a fixed period of time, usually 10 years.
Extended Repayment Plan
A lower fixed monthly payment amount, and loan repayment can be extended from 12 to 30 years depending on the amount borrowed.
Graduated Repayment Plan
Usually begins with lower monthly payments; then payment amounts increase at specified times. Payments may be for the usual 12-year period, or they may be extended up to 30 years depending on the amount borrowed.
Income-Sensitive Repayment Plan
Sets annual repayment amount based on the borrower’s income after leaving school. The loan is repaid over an extended period of time, not to exceed 25 years. Any amounts not repaid after 25 years will be discharged but the amount discharged must be reported on your tax return as taxable income.
Pay as You Earn Repayment Plan

Your maximum monthly payments will be 10 percent of discretionary income, the difference between your adjusted gross income and 150 percent of the poverty guideline for your family size and state of residence (other conditions apply). Your payments change as your income changes. Borrowers have up to 20 years to repay their loans. Any amounts not repaid after 20 years will be discharged but the amount discharged must be reported on your tax return as taxable income.

You can view the different repayment options available to you, and calculate your estimated monthly payment based on the amount of loans you have received. The website to calculate the different payment options available to you is: [http://studentaid.gov/repay-loans/understand/plan](http://studentaid.gov/repay-loans/understand/plan)

If you have previously borrowed under the FFELP and your school now participates in Direct Loans, you may have a combination of FFELP and Direct Loans.

**OSHER SCHOLARSHIPS**

Thanks to the generosity of the Bernard Osher Foundation and matching funds from other agencies, students can apply for a $1000 scholarship. Students must meet the following criteria:

- Must have completed 24 degree applicable units by the beginning of the Fall 2015 semester.
- Must be enrolled at least half-time (6 or more units) during all terms in the academic year for the award to remain active.
- Must be enrolled at the college where you will be receiving your financial aid, including the Osher Scholarship.
- Must be a BOGW recipient for the 2015-2016 school year.
- Must have applied for a FAFSA, or the California Dream Act for the 2015-2016 school year and demonstrate financial need.
- Must be making satisfactory progress towards a degree based on the San Diego Community College District’s policy.

Please contact the Financial Aid Office for yearly deadlines and applications.

---

**Packaging, Award Notification, & Disbursement of Financial Aid Funds**

Once your financial need is determined, we will put together a “package” of financial aid. Your aid package may consist of grant money and/or Work Study. The priority for awarding FSEOG (must be a Pell recipient) and FWS will be based on the following:

- the date your financial aid file became complete
- the date your FAFSA was processed by The Department of Education
- your financial need

An offer of Financial Aid is sent to each eligible student. You will be notified of the estimated (actual) disbursement dates with your award offer. You may check your award using Reg-e, “View My Financial Aid”.

**DISBURSEMENT OF AID AND YOUR ENROLLMENT LEVEL**

The award amounts listed on your Award Letter are estimates based on full time enrollment. You do not necessarily need to be enrolled full time in order to receive financial aid funds. However, if you are enrolled less than full time, your award will be prorated according to your enrollment level and/or possibly cancelled depending on the specific program enrollment level requirements. Your enrollment level is “locked” after the end of the “Add and Drop” period when the automated system sets your first disbursement for the semester. Occasionally students have no access to financial aid funds due to factors such as: there is no class enrollment at the campus where your financial aid was packaged or the school code for the campus was never added to the FAFSA.

Enrollment Levels for Fall, Spring and Summer are:

- **Full Time**
  - (100% of the award) = 12 units or above
- **Three Quarter Time**
  - (75% of the award) = 9 – 11.5 units
- **Half Time**
  - (50% of the award) = 6 – 8.5 units
- **Less than Half Time**
  - (25% of the award or less depending on the EFC) = 0.5 - 5.5 units

The Federal Pell Grant Program is the only Federal or State aid program that can be disbursed for students enrolled at Less Than Half-Time.
Financial Aid Consortium Agreement

This agreement is entered into by the Financial Aid Offices at San Diego City College, San Diego Mesa College, and San Diego Miramar College, hereinafter referred to as the member institutions, for the purpose of establishing a Financial Aid Consortium within the San Diego Community College District (SDCCD). The agreement is designed to permit eligible students of the member institutions specified in this agreement to continue receiving financial assistance from one member institution while enrolled for a portion of his/her program at another member institution.

In order to initially receive funds, a student must be enrolled in at least one class at the college where the student intends to receive his/her financial aid. This college will be the campus of record.

If, during the payment period, and/or after the first scheduled disbursement of the term, the student drops all courses at the campus of record but remains enrolled at one of the other member institutions covered by this agreement, the student’s enrollment status and financial aid eligibility will remain valid at the campus of record for that payment period regardless of the student’s program or major, unless the classes dropped are late start classes and an award recalculation is required.

Return of Federal Funds Rules

Federal law requires that if you received a federal grant then drop/withdraw from ALL of your classes, on or before the 60% point of the term/semester you may owe money back to the Federal Government. Note that the earlier you drop/withdraw the more money you may have to pay back.

- If you receive loan money and withdraw, you will pay back the money according to the Federal guidelines of the loan program as well as the terms and conditions of your promissory note.

- If you receive Federal Work Study money and withdraw, you do not owe anything back. You will get to keep any salary you have earned.

- If you are enrolled in short term classes without being enrolled in full semester classes and/or you withdraw or fail to attend those classes, you may be subject to the Return of Title IV calculation.

For more detailed information, contact the Financial Aid Office.

If you have defaulted student loans, you have options. Depending on which option you choose, you may regain your eligibility for financial aid, improve your credit, and in some cases remove the default status from your credit report.

**Satisfactory Arrangement to Repay**

If you are in default, you are not eligible to receive federal education grants or loans (Title IV or state aid) unless you have made satisfactory arrangements to repay the owners of your defaulted loans.

Satisfactory arrangements to repay means: you must make on-time, minimum monthly payments that are acceptable to the owner of your loan for nine consecutive months. Lump sum payments do not count when determining satisfactory arrangements to repay; nor do payments that are made involuntarily, such as those due to wage garnishment, unless paying in full.

The owner of your defaulted loan must verify that you have made satisfactory arrangements to repay. If you default on your student loan, the owner is generally the agency that guaranteed it. The guarantee agency’s name should be present on your promissory note and other correspondence made to you after your loan defaulted. In some cases the owner may be the Department of Education.

Once you receive a letter from your Guarantor or agency holding your loan verifying that you’ve made satisfactory arrangements to repay and are authorized to receive additional federal grants and loans, you cannot miss any more loan payments for any reason. If you do, you cannot regain eligibility for federal grants and loans a second time using this option. Satisfactory arrangements to repay will not remove your defaulted loan from your credit record. A copy of this letter must be made available to the Financial Aid Office prior to processing your financial aid file.

**Loan Consolidation**

If you are in default, you can return to repayment status through loan consolidation. To be eligible to consolidate, you must have made satisfactory arrangements to repay your defaulted loans with the owner of the loans for three consecutive months. Through this program your eligible federal education loans can be combined into one loan. Depending on the size of the debt, you may have 12 to 30 years to repay your loans. When you consolidate you regain eligibility for loan deferment. After consolidation, your credit record shows the loan as paid in full. You are also eligible for additional federal education grants and loans.

**Loan Rehabilitation**

If you are in default, you can return to repayment status through loan rehabilitation. Each loan servicer is responsible for operating a Loan Rehabilitation Program for the defaulted loans it owns. Normally, you would have to make satisfactory repayment for twelve consecutive months. Contact your guarantor for further information.

**Loans Discharged in Bankruptcy**

Few people meet the criteria necessary for having their loans discharged in bankruptcy, so this section may not apply to you. If your loan is discharged in bankruptcy you remain eligible for federal education grants and loans. Bankruptcy papers do not verify discharged loans. A letter from your Guarantor is necessary.

**Borrowers Who’s Loans Have Been Cancelled Due to Permanent Disability**

If your loan has been cancelled due to permanent disability, you can regain eligibility for federal education grants and loans. You must get a signed statement from your doctor indicating that your condition has improved sufficiently to work and attend school. You must also acknowledge that future Federal Loans cannot be cancelled on the basis of any disability present when the new loan is made unless the disability gets significantly worse.

If a borrower whose prior loan was not discharged due to a total permanent disability wishes to take out another FSA loan, he must obtain a physician’s certification* that he has the ability to engage in substantial gainful activity, and he must sign a statement acknowledging that the new FSA loan obligation can’t later be discharged for any present impairment unless it deteriorates so that he is again totally and permanently disabled.

*The student only needs to obtain the physician certification once; the school keeps a copy of it in the student’s file. The school must collect a new borrower acknowledgment from the student each time he receives a new loan.
Overpayment Policy for Financial Aid Recipients

This policy applies to all programs except the Federal Work Study program.

1. The payment period for student financial aid awards will be one semester.

2. The college will consider an award overpaid when:
   - Payments made to you are based on an invalid Financial Aid application;
   - After payments are made to you and the Financial Aid Office is later notified that you already have received a Bachelor’s degree (Federal Pell Grant, FSEOG, or Cal-Grant programs must be repaid);
   - Payments are made to you after you are no longer enrolled in the required number of units, except a Post Withdrawal Disbursement as provided by the Return of Federal funds regulations;
   - Payments are made to you, but you never attended a class session; such as in the case of late start classes.
   - Payments are made to you, but you drop all your classes on or prior to the 60% point of the semester;
   - After payments are made to you the Financial Aid Office is notified that you are in default on any Federal student loan; or under a grant overpayment for funds received at another institution;
   - After payments are made to you the Financial Aid Office is notified that you receive financial aid from more than one institution during the same enrollment period.

If you have an overpayment based on dropping/withdrawing from ALL classes, you have 45 days to repay the overpayment in full or make satisfactory repayment arrangements. If after the 45 days you have not made satisfactory repayment arrangements, your overpayment will be referred to the Department of Education and you will not be eligible for any Federal aid at any institution until you contact the U.S Department of Education to make satisfactory repayment arrangements.
Your Financial Aid

Satisfactory Academic Progress (SAP) for Financial Aid (not to be confused with a school's Satisfactory Academic Standards)

A student’s eligibility for financial aid in the 2015-2016 academic year will be determined using these Standards. The POLICY FOR STANDARDS OF SATISFACTORY ACADEMIC PROGRESS FOR FINANCIAL AID RECIPIENTS became effective with the Summer 2015 semester and supersedes all previous standards.

INTRODUCTION

Federal regulations require that colleges set standards that you must meet in order to be eligible for financial aid and to keep it from one academic year to the next. Even if you have never applied for or received financial aid, your overall history in college will be reviewed before you are awarded financial aid to make sure you are meeting these standards. To be eligible for aid, you must comply with all standards regarding maximum timeframe, completion rate and cumulative GPA.

A • DECLARATION OF YOUR MAJOR

You must declare a specific major area of study. You may choose an Associate’s degree or transfer program. Our catalogs list the requirements for various majors. If you are undecided about your major course of study, we suggest you discuss your educational objective with an academic counselor.

B • EDUCATIONAL PLAN

We strongly recommend that you obtain a counselor-approved Educational Program Plan*. Your educational plan is an unofficial outline of the courses you need to complete your major. You use it as a guide to see how many credits and required courses you have completed at all colleges, and how many more credits and required courses you need to complete your educational objective.

*To get an Educational Plan, you must make an appointment with an academic counselor at your campus.

C • STUDENTS TRANSFERRING FROM ANOTHER COLLEGE

If you transferred from a college outside the San Diego Community College District (SDCCD), you must request an official academic transcript from the college(s) you attended to have an Educational Plan developed. Transcripts will be reviewed by the District Student Services staff to determine the transferable units. These units will be used to determine if you have exceeded the Maximum Time Frame (Section D) and the Completion Rate (Section E).

D • MAXIMUM TIME FRAME

Completion of an Associate Degree normally requires 60 units. Based on federal regulations, a student is allowed a maximum time frame not to exceed 150% of the published length of the educational program (60 units x 150% = 90 units).

- You may receive aid until you have attempted 90 semester units (134 quarter units) of college credit. This includes units attempted within the SDCCD and all transfer units accepted by the SDCCD.
- You may receive financial aid for up to 30 attempted units of remedial course work. A maximum of 30 units of remedial course work will be excluded in the calculation of the maximum time frame.
- ESOL classes are not counted as remedial coursework.
- The maximum time frame will not be adjusted for a change of major.
- Repeated courses will be included in determining the maximum time frame.
- Academic renewal does not apply to the Financial Aid standards or the calculation of units attempted and completed.

E • DETERMINATION OF ACADEMIC PROGRESS COMPLETION RATE

In order to be making satisfactory progress you must complete at least 67% of all units attempted in the SDCCD and all transfer units accepted by the SDCCD. (60 units/ 90 units = 67%).

- Units completed are “A” through “D” grades, or “P” passing with credit.
- Remedial courses and repeated courses will be used in the determination of academic progress (completion rate).

Your academic progress will be evaluated once each year at the end of the spring semester. A year is defined as summer,
fall and spring. Using our professional judgment, we may monitor your SAP on a case by case basis once a semester.

Exception: If you are enrolled in a Certificate program that does not lead to an Associate’s Degree, your academic progress will be evaluated every semester.

CUMULATIVE GPA GOOD STANDING

Your cumulative GPA progress will be evaluated once each year at the end of the spring semester. A year is defined as summer, fall and spring.

To be in Good Standing:

- You must have a cumulative GPA of 2.00 or higher at the end of each academic year.
- Using our professional judgment, we may monitor your SAP on a case by case basis once a semester.

DISQUALIFICATION

You will be disqualified if, at each cumulative, yearly evaluation period, you:

- Have completed less than 67% of the total cumulative units attempted or
- Have not met the cumulative GPA Progress standards or
- Have attempted more than 90 units or
- Have earned a Bachelor’s, or higher degree (includes Bachelor’s, Master’s and Doctorate degrees). This includes degrees from all colleges in the United States and from foreign countries.

F • APPEALS

If you are disqualified and you have documented extenuating circumstances such as injury or illness, death of a relative or other special circumstance(s), you may submit an appeal to your campus Financial Aid Office for the Appeal Committee’s consideration. Appeals will be considered in the date order with which they are received. Your appeal and any supporting documents must be received in the Financial Aid Office by the published deadline date or your last day of classes, whichever comes first, for the term that you are filing an appeal.

Note: To submit an appeal, you must obtain and submit a counselor-approved Educational Program Plan.

In your appeal, you must include the following:

- Why have you failed to complete 67% of all units attempted OR maintained the minimum GPA?
- What has changed or what steps you have taken that will allow you to make Satisfactory Academic Progress (SAP)?
- If you have earned a Bachelor’s or higher degree, AND/OR have attempted 90 or more units, please explain why you are enrolled at a community college and the purpose of returning to a two year program.

If your appeal is approved, you will be placed on “Financial Aid Probation” for one payment period (one semester) only and you must make Satisfactory Academic Progress (SAP) and comply with any specific conditions in your appeal decision. If you do not make SAP or meet the conditions in your appeal decision, you will be disqualified again and you must meet the reinstatement conditions as described in Section G to be considered for further aid. If you have a Bachelor’s or higher degree, a successful appeal will not make you eligible for grant aid.

The decision of the Appeal Committee is final.

G • REINSTATEMENT FROM SECOND DISQUALIFICATION

You may submit an appeal for financial aid after complying with all specific conditions in your previous appeal decision and you must be enrolled in at least six applicable units according to the Ed Plan used on your appeal or in the remaining units required to complete your current degree or program. We will evaluate your enrollment and progress at the end of the semester to determine if you have followed these conditions and are therefore, under federal regulations, eligible for one additional semester of aid under “Financial Aid Probation”. If it is determined that you did not follow all conditions, a notification of your disqualification will be mailed to you.

You may need to submit a new appeal for every academic term you want to be considered for further financial aid. Reinstatement is not an automatic process and is not guaranteed.

APPLICABILITY OF THESE STANDARDS

These standards apply to the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work Study (FWS), and Federal Direct Loan Program, Cal Grant programs and any other Federal or State programs that may be required to follow these standards. They are effective beginning with the Summer 2015 semester and will be used at the end of each Spring semester for eligibility determination for the following school year. These standards supersede all previous standards.

The “Policy for Standards of Satisfactory Academic Progress for Financial Aid Recipients” was approved by the San Diego Community College District Student Services Council on May 7, 2015.
Rights and Responsibilities

Your Rights

1. You have the right to know what financial aid programs are available at your college.
2. You have the right to know deadlines for submitting applications for each of the programs available.
3. You have the right to know how financial aid will be distributed, how decisions on distribution are made, and the basis for these decisions.
4. You have the right to know how your financial need was determined. This includes how costs for tuition and fees, room and board, transportation, books and supplies, personal and miscellaneous expenses, etc., are considered in your budget.
5. You have the right to know how much of your financial need has been met, as determined by the Financial Aid Office at your college.
6. You have the right to know what resources (such as parental contribution, non-taxable benefits, other financial aid, your assets) were considered in the calculation of your need.
7. You have the right to request an explanation of the various programs in your student aid package.
8. You have the right to know what portion of the financial aid you received must be repaid and what portion is grant aid. If the aid is a loan, you have the right to know what the interest rate is, the total amount that must be repaid, the payback procedures, the length of time you have to repay the loan and when repayment is to begin (see page 9).
9. You have the right to know that under the William D. Ford Federal Direct Loan program (subsidized and unsubsidized) if you cannot meet the repayment schedule you have four different repayment options (see page 9).
10. You have the right to know how the school determines whether you are making satisfactory progress and what happens if you are not (see page 16).

Your Responsibilities

1. You must complete all application forms accurately and submit them on time to the right place.
2. You must provide correct information. Misreporting information on financial aid applications is a violation of law and may be considered a criminal offense.
3. You must return all additional documentation, verification, corrections, and/or new information requested by either the Financial Aid Office or the agency to which you submitted your application.
4. You are responsible for reading and understanding all forms that you are asked to sign and keep copies of them.
5. You must accept responsibility for all agreements that you sign.
6. You must perform the work that is agreed upon in accepting a Federal Work Study award.
7. You must be aware of and comply with the deadlines for application or reapplication for aid.
8. You should be aware of your school’s refund and repayment policies and procedures.
9. As a recipient of a William D. Ford Federal Direct Loan you must notify the servicer if any of the following occurs before the loan is repaid:
   - change of address
   - graduation
   - withdrawal from school or less than half time attendance
   - name change (e.g., maiden to married name)
   - transfer to other schools
10. You must repay any student loans received according to the terms of the promissory note.
11. You may have to report financial aid that you receive on your tax return. Tax legislation requires that financial aid granted after August 16, 1986 must be included in taxable income except for amounts used for tuition/fees, books, supplies and equipment required for courses. You must determine which part of your financial aid money is taxable income. You should contact a tax preparer or accountant for assistance.
12. You are required to notify the Financial Aid Office when withdrawing from college or adding or dropping a class. Report such changes immediately after you complete your registration.
Extended Opportunity Programs and Services

What is EOPS?

EOPS is a state funded student services program which provides special recruitment, retention, and transition services (not available through the regular college student services program) to students who experience educational and economic challenges.

Eligibility

You may be eligible to receive EOPS if you meet all * of the following criteria:

A. You are a resident of the state of California or have AB540 status, as determined by the Admissions Office at your campus.
B. You are (or plan to be) a full-time student.
C. You qualify to receive a Board of Governors Waiver A or B.
D. You have not completed 70 or more units of degree applicable college course work. This includes courses taken at other colleges.
E. You are determined to be educationally challenged by meeting any one of the following criteria:
   1) You do not qualify to enroll for the minimum college level English or Math courses required for your degree objective.
   2) You have not fulfilled the requirements for a high school diploma or a General Education Diploma (GED).
   3) Upon graduation from high school, your high school grade point average (GPA) is 2.5 or less on a 4.0 scale.
   4) You have been enrolled in a class, course or program that is considered to be developmental or remedial.
   5) You have been enrolled in English as a Second Language (ESL) class or program.

   6) In the judgment of the EOPS director, using other state guidelines, you are determined to be educationally challenged.

*Applies to only students who are new EOPS applicants or EOPS students reapplying after a break in service.

How to apply

To apply for EOPS, complete and submit an EOPS application and Board of Governors Waiver (B OGW) Application. Complete and mail a Free Application for Federal Student Aid (FAFSA) to the Federal processor or the CA Dream Act application.

Apply early to ensure consideration. EOPS grant funds are limited and are awarded until funds are exhausted.

Any financial aid assistance application (FAFSA and/or BOGW) and your EOPS application must be filed at the same campus. EOPS on each campus may only serve those students who also have their financial aid records at the campus.

Requirements upon acceptance

- Full time enrollment in at least 12 units each semester. At least 6 of these units must be taken at the college where you are receiving EOPS.
- Satisfactory grades - an average of “C” (2.0) for each semester.
- Attendance at required orientations, meetings and all tutorial and counseling appointments.
- Meet with your assigned EOPS counselor or other designated advisory staff at least three times per semester.
- Compliance with the responsibilities stipulated in the EOPS student handbook and/or EOPS mutual responsibility contract (MRC).
- In order to be considered for an EOPS direct grant, a student must have an unmet financial need as determined by the FAFSA.

Crime Information (or Clery Act)

Nondiscrimination Policy

The San Diego Community College District, in compliance with Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, does not discriminate on the basis of race, color, national origin, sex, handicap, or sexual orientation in any of its policies, procedures, or practices. This nondiscrimination policy covers admission and access to and treatment and employment in college programs and activities, including but not limited to academic admissions, financial aid, educational services and employment.

Inquiries regarding the colleges’ equal opportunity policies may be directed to the Affirmative Action Officer at (619) 388 6591.

Accreditation Status

San Diego City College, San Diego Mesa College, and San Diego Miramar College are approved by the California State Department of Education and are accredited by the Western Association of Schools and Colleges. They are approved by the Office of Private Post-secondary Education for the training of veterans as well as by the U.S. Department of State and the U.S. Immigration Service for foreign student education. Courses paralleling university and college work are accepted by the University of California, the California State Universities, and by other universities and colleges.
