I. ANNOUNCEMENTS

Campus Change Network - Two Classified Senate delegates have been selected to attend the Campus Change Network Conference in Fallbrook, CA. Susan Gregory and Lydia Gonzales will join the City College Team—Larry Brown, Mario Chacon, Rafael Alvarez, Elva Salinas, Mary Coleman, Kathy McGinnis, Sara Hernandez, Salley Deaton and Desiree van Saanen—who will meet September 29—October 1 to discuss strategies for the advancement of student equity and diversity on campus. The CS delegates will report on the conference at the October Classified Senate open session (November 27). The Campus Change Network is sponsored in part by California Tomorrow.

Classified Senate Website—Desiree reported that the City College Classified Senate Website has a new face—four new faces to be exact! Now, the page includes pictures of the executive board. Eventually, the webpage will include photos of all senators as well. Currently, the webpage does not include links to the officers’ Outlook accounts. However, Desiree will work with the City College web mistress, Christina, to correct this. Additional ideas for the website will be discussed at the November CS open session.

AFT Luncheon—Reminder: The Annual AFT Pizza Luncheon meeting is scheduled for Thursday, September 29, 12 noon to 1:30 p.m., Conference Room D-102. For members of the Office/Technical and Food Services units, this is an excellent opportunity to meet your union president and ask questions regarding your contract. All Classified folks from all units are welcome to attend! It was noted that some concern was raised over the funding of the AFT pizza luncheon. Desiree reported that no Classified Senate money was used to cover expenses for this event. The AFT paid for it in full. This is an annual event that AFT funds at all SDCCD institutions for classified folks.

II. REPORT FROM TREASURER—No report

III. **FUNDRAISING**—See’s candy bars and lollipops are now for sale in the E Building and Business Office. Candy bars sell for \$1.50 each; lollipops for \$.75 each.

IV. COUNCIL AND COMMITTEE REPORTS –

President’s Council– No Report

Student Services Council -

Grade Challenge Procedures: Lydia reported that the Grade Challenge Procedure have been revised. Copies of the new procedures were distributed. Students must first attempt to resolve the problem informally with the instructor of record. If the instructor is unavailable (i.e. no longer employed), the student must contact the Department Chair. However, if the student alleges any of the aforementioned conditions, the student may file a “petition for grade challenge” to the appropriate dean, who will consult with the department chair to resolve the matter. It was further noted that the statute of limitations on grade challenges has been shortened from 5 to 2 years. The complete SDCCD procedure for grade challenge can be accessed at:

Student Representation Fee: Gail reported that a \$1 student representation fee will now be assessed on all registration transactions. The fee, which is currently mandated at Mesa and Miramar, helps to support the administration of the Associated Students and to sponsor speakers, travel expenses, and AS related activities and events related to advocacy efforts. Last spring, City College students voted in favor of the fee, which was followed by Board Approval on June 9.

Personnel Changes in Student Services: Desiree reported the following personnel changes in Student Services:

Financial Aid:

Congratulations to Susanna Gonzalez, formerly an hourly employee, who was hired as our new contract Student Services Assistant in Financial Aid. FA received approval to proceed hiring one Student Services Technician and one Senior Student Services Assistant. One Student Services Assistant position is currently pending.
