  - ✓ Board and Administrative Organization – Randy Barnes

### **We want to know what you think!**

We will be asking all faculty and staff to fill out an Employee Satisfaction Survey which will be sent to you via e-mail this month. Your participation in getting this feedback to us is essential for our self-study process, so please look for the e-mail, fill out the survey and send it right back! Hard copies will be available for you to fill out if you prefer to do it that way and we'll get the information to you on where to find them and submit them.

In addition we are collecting information about many of our student services and business services through Point of Service surveys. Please respond to any of them that relate to services that you use. Student Satisfaction Surveys will be administered to a number of class sections in late February and early March as well. Faculty who will be involved in this part of the process have already been contacted.

Any questions about the Accreditation process in general? E-mail me, Roberta Alexander, at [ralexand@sdccd.edu](mailto:ralexand@sdccd.edu) or call at (619) 388-3089.

Thank you for your participation in this important process,  
Roberta Alexander, Faculty Co-chair, Peter White, Administrative Co-chair

## Fitness Tips

### The Serious Threat of Hypertension

Approximately 60 million Americans have high blood pressure or hypertension. Hypertension is a condition in which the force of blood pushing against the walls of the blood vessels is increased. This condition can be mild, moderate or severe.

The specific cause of hypertension is unknown in 90% of people but certain risk factors occur. It is very important to control your blood pressure because of the serious threat that it presents to one's health. For example, strokes can result from uncontrolled, severe hypertension. Congestive heart failure can result due to long standing hypertension. Blood clots can get lodged in narrow arteries that occur when the blood pressure is very high. This can block the flow of blood resulting in heart attacks and strokes. (Greer)

## CIEE Faculty/Administrators Summer International Seminars (IFDS)

CIEE International Seminars are intensive educational experiences that feature site visits, lectures, and discussions with overseas academics and colleagues. These seminars are open to faculty and administrators. Particular attention is being given to those from community colleges. Participants return to campus poised to incorporate an international dimension into administration, course design, research and teaching.

96% of attendees polled indicated that the seminar had a significant impact on his/her professional life. The CCIE web-page [www.ccieworld.org](http://www.ccieworld.org) will have a link for information on all the Faculty Seminars for 2009. You can also visit [www.ciee.org/IFDS.aspx](http://www.ciee.org/IFDS.aspx) for applications. CIEE is offering CCIE members a 5% discount if five or more members from CCIE colleges participate in any of the Seminars. **Application deadline is February 15, 2009.**

## Price Scholarship Program

The Price Scholarship Program is extending an invitation to current City College students to apply to our Price Scholarship Program. Six City College scholarships are available to students who must:

1. Be currently enrolled and in good standing at San Diego City College
2. Residents of the downtown, mid-city, or southeast area of San Diego
3. Have a minimum 2.5 Grade Point Average in their college studies
4. Have graduated from high school within the last 7 years and are pursuing either a Certificate of Achievement, an Associates Degree, a Certificate of Completion, or transferring to a four year college
5. Have demonstrated financial need
6. Be willing to perform 5 or 8 hours of Community Service/internships weekly with a pre-selected community agency or school throughout their participation in the program

Scholars will gain valuable experience through structured job shadowing, and community service assignments, with local community agencies, schools, and businesses in City Heights, Balboa Park, and other central and southeastern areas of San Diego.

The scholarship year will begin in June 2009 and may be renewable if the student remains in good standing academically and programmatically. The scholarship award will be either \$3,000 or \$4,500 and is based on the number of Community Service hours the participant selects for their program year beginning in August 2009 and ending in July 2011. Scholarship participants will perform 5 or 8 hours per week and choose a site from the current list locations and services that offer a range of experiences.

Scholars are required to attend/enroll in a Business 158c class as part of their Price Scholarship weekly seminars throughout their first year of participation in the program. Scholars are required to meet with program staff on an ongoing basis to assess their performance and progress in the program.

Applications are available in the Price Scholarship Program Office room A-113A beginning **Monday, February 2, 2009** and they will be **due by Friday, March 6, 2009 at 3:30 p.m.** Students who are accepted into the program will be required to attend a program orientation in June 2009 before they begin their program in August 2009.
