Notes

- Foreign Language: Fourth semester competency or equivalent in one foreign language is required as an SDSU graduation requirement in this major emphasis. This may be completed at community college or SDSU. However, third semester competency or equivalent is required prior to being admitted to this major emphasis. Students who have graduated from high school in another country where the language of instruction is not English have met the language requirement for this major. Contact the SDSU department at (619) 594-1675 for more information.
- Study/Internship Abroad Requirement: Completion of a study abroad or internship abroad of at least 12 units of coursework or six units of the internship course in another nation or equivalent is required prior to graduation from SDSU. Students may also choose to complete a combination of nine units of study and three units of the internship abroad. Students who have graduated from high school outside the U.S. meet this requirement by studying at SDSU.
