**Articulation Agreement
Chapman University College
2004-2005
San Diego City College
Psychology**

The following agreement is a guide of San Diego City College courses that transfer to Chapman University College and fulfill requirements for the BA Psychology degree. It is current for the 2004-2005 Chapman University College Catalog and will be updated annually.

General Education Requirements: Chapman University recognizes the full CSU GE and UC IGETC certifications as meeting all Chapman University General Education Requirements other than the Junior Writing Proficiency Requirement and the LBSU 300 course requirement provided it is completed prior to matriculation.

Course to course articulation information can be located online at:
<http://www1.chapman.edu/registrar/transfercourses.html>
To locate San Diego City College courses select Search by Institution

Some lower division courses are approved to meet upper division requirements. Please note that credit given for lower division courses does not apply towards the minimum 36 credits of upper division coursework needed for the degree.

Lower Division requirements for Psychology: Minimum grade of "C" required
