

**Articulation Agreement
 Chapman University College
 2004-2005 Catalog
 San Diego City College
 Social Science**

The following agreement is a guide of San Diego City College courses that transfer to Chapman University College and fulfill requirements for the BA Social Science degree. It is current for the 2004-2005 Chapman University College Catalog and will be updated annually.

General Education Requirements: Chapman University recognizes the full CSU GE and UC IGETC certifications as meeting all Chapman University General Education Requirements other than the Junior Writing Proficiency Requirement and the LBSU 300 course requirement provided it is completed prior to matriculation.

Course to course articulation information can be located online at:
<http://www1.chapman.edu/registrar/transfercourses.html>
 To locate San Diego City College courses select Search by Institution

Some lower division courses are approved to meet upper division requirements. Please note that credit given for lower division courses does not apply towards the minimum 36 credits of upper division coursework needed for the degree.

Lower Division requirements for Social Science: Minimum grade "C" required

Students must take a core course from each of their three emphasis areas. Available emphases depend on campus location but may include three or more of the following: History, Organizational Leadership, Political Science, Psychology and Sociology.
