Taking time to think about steps to increase your safety and the safety of your children is important, whether you have left, are considering leaving, or are currently in an abusive relationship. You may want to consider calling a domestic violence advocacy agency to assist you in safety planning. Call **888-DV-LINKS** (888-385-4657) to speak with a confidential advocate or to be referred to an agency that specializes in domestic violence.

**JAIL NOTIFICATION**

Inmates may be released at any time of the day. By calling to set up a “jail notification,” you may receive a call (usually about one hour) ahead of when your partner is to be released. Based on your area code you may call any one of the following: (619) 531-3200  (858) 694-3200  (760) 940-4473

Two attempts will be made to contact you at the number you provide.

**DOMESTIC VIOLENCE SHELTERS**

There are shelters in San Diego County specifically geared to assisting domestic violence victims. In addition to housing and accommodations, most provide such services as advocacy, legal assistance, and counseling onsite.

Call the 24 hour confidential, bilingual DV Hotline at **888-DV-LINKS** (888-385-4657) for bed availability.

**ORDERING POLICE REPORT(S)**

Victims have a right to a free copy of their police report. Contact the responding law enforcement agency in the jurisdiction in which the incident occurred. Requests for reports can be made to most jurisdictions through the mail or in-person. The following information is necessary to identify the requested report: parties involved, date and location of occurrence, and the report number if available. Bring identification if you go in-person to pick up your report. The crime incident report is available no later than 48 business hours and the reports are available no later than 5 business days after they are taken.

**SAFE AT HOME – CONFIDENTIAL MAILING ADDRESS**

Program participants are provided a post office box, at no cost, so that may use this instead of their home address. This allows participants to safeguard their address when receiving first-class mail, opening a bank account, completing a confidential name change, filling out government documents, registering to vote, getting a driver’s license, enrolling a child in school, and more. You may call toll-free at 1-877-322-5227 or visit [http://www.casafeathome.org](http://www.casafeathome.org) for a local enrolling agency.
