STUFFED ANIMAL DRIVE
For Children Recovering From Trauma

When: May 4th-May 7th
Where: Donations accepted in Psychology Staff Lounge in MS 540

In consideration of National Children's Mental Health Awareness Week, donations of new and gently used stuffed animals will be collected to distribute to various San Diego organizations that provide love and care to children who have experienced severe trauma.

Donations will be delivered on Friday May 8th by San Diego City College's chapter of Psi Beta, a national honors society in psychology.

Your generosity is sincerely appreciated.
