Question 1. Do you expect this employee to work at least an average of 20 hours a week for one year or longer? If yes, per Gov. Code sections 20281 and 20305 the employee will be enrolled into CalPERS membership on the date of hire. If no, the employee will be monitored for working 1,000 hours in a fiscal year.

Question 2. If this is a full time 40 hours a week position for a Nance employee and duration greater than 6 months? If yes, employee will be enrolled into CalPERS membership on the effective date of full time employment. If duration is less than 6 months, employee will be monitored. If full-time employment continues for more than 6 months, the effective date of membership cannot be later than the first day of the first pay period of the 7 month of employment.

****Membership in the California Public Employees Retirement System (CalPERS) is mandatory for non-academic, non-classified employees who work 1,000 hours or more in a fiscal year (July 1 through June 30).**

Each month Retirement Services will provide a list of employees who are in this category. Under the law, federal work-study student employees are exempt.

Employees who reach 1,000 hours within the fiscal year will be enrolled in CalPERS immediately, retroactive to the first of the month following the month in which they exceed the 1,000-hour limit. Once enrolled in CalPERS, they will no longer be eligible to participate in the FICA Alternative Plan (FBC), and the employee will be required to have Social Security, Medicare and the employee portion of the CalPERS contribution deducted from their pay. The employee's deductions will be as follows:

6.20% Social Security
1.45% Medicare
8% CalPERS

Please monitor these employees to ensure the cap is not exceeded.

If no action is taken and the employee exceeds 1,000 hours in the fiscal year, your campus/department will be responsible for the additional costs related to this change.

- Current financial impact for the employee is
 - o 10.45% increase [8% (CalPERS) + 6.20% (Social Security) – 3.75% (FBC)]
- Current impact to campus/department's benefit cost
 - o 29.5% increase [27.05% (CalPERS) + 6.20% (Social Security) – 3.75% (FBC)]

CalPERS rates are subject to change each fiscal year
