## Art History

Award Type	Units
<b>Associate in Arts for Transfer Degree:</b> Art History	18

### Program Description

Art History focuses on the development of the visual arts in the context of global history. The course options provide students with a strong foundation in the art of Western society as well as expose students to the art of Non-western cultures. The program aids students in developing critical thinking, writing and analysis skills in preparation for careers in a variety of art and non-art related fields. Students will develop an understanding of the artistic techniques and cultural factors that have shaped the various types of visual media throughout global history.

### Program Learning Outcomes

Students who complete the Art History Program will be able to:

- Identify the theoretical, cultural, and historical context of art
- Discuss the significance of visual expression and use of materials in art throughout history
- Critically analyze, interpret, and evaluate works of art
- Explain the social, religious, and political highlights of Western and Non-Western cultures and their effects on art forms from prehistoric to modern times
- Apply skills-based practice, art theory, and research methodologies to understand the creative process of art-making and compose visually effective images
