New and Business Updates

The council discussed outsourcing coffee services to a local roaster and John provided a soft timeline for the selection process including due dates for complete applications, cupping samples by the campus and selection completion. College representatives will be involved in the selection process.

The charge will be updated and draft reviewed during the next meeting.

Program Review completion updates as of 2/18/26 reflect **75%** of Instructional Programs, **73%** of Service Areas, and **74%** Overall. John will work with Susan and respective deans/VPs to follow up on outstanding budget workbooks.

Updates from reporting workgroups and committees

- Resource Allocation: John will adjust the budget timeline and provide to this council.
- Facilities and Bond Projects: John reported the Student Housing design shell is complete, now focus is on interior finishes; soccer field has natural grass which will eventually be converted to artificial turf; Transfer Center renovation is complete with new conference space; parking will be a priority in Phase 2 with structures planned at P Bldg and LRC Parking Lot 8; required shade sails will be installed at EEC. Projects are currently on schedule.
- Review of Services: John shared additional lactation rooms have been identified in BT and AH Bldgs, consideration of a space in MS or V were suggested; installing additional water filling stations are being considered though cost will be significant using deferred maintenance funds; Contemplation Room will have a combo lock installed to deter misuse; Black Student Success Center in T-220 is expected to be finished by the end of next week.

- Health & Safety: John reported two blue light call boxes were installed and working on east and west sides of LRC; LiveSafe App will be inactive this month, SDCCD Safe App and Rave Alert System are now in place district wide; campus perimeter lighting will be repaired by the City of San Diego.
- CTEA/Strong Workforce: Updates to be provided next meeting.
- IT: Campus IT website is available and includes processes for requests.

The next meeting is March 18, 2026
