

02-23-2023 Exec Board Meeting Agenda 2:00-3:00pm

1. Budget Updates – tabled
2. College Council / DGC Updates
3. Classified Forum – Group
4. Campus Forum – Create Agenda, questions, and other details
5. CS Constitution – Review
6. CS By-Laws – Distribute for By Law Updates at 3/9 Exec Meeting
7. Science Building Equipment Certification Deadline - There is a safety issue. In the science area the building equipment will be out of certification starting March 1st but the college is not taking immediate action to get that resolved. Continued usage of a fume hood out of certification dates posted opens the institution up to liability with the California Division of Occupational Health & Safety if staff or students on campus file an official complaint. Continued usage of a fume hood out of certification could also open the institution up to potential legal liability if there were a chemical inhalation accident resulting in medical damage to a staff member or student using a fume hood that is not in certification. I'm hoping that through classified senate maybe it can be escalated to college council so that the admins can hear from collective bodies that these safety issues need to be address asap for not only the staff but also students taking classes and faculty teaching in the S building.

8. Roundtable

Our primary projects for this semester are working on hiring procedures, PD activities including directory project, and a PD survey.

Future Meeting Dates: Thursdays, March 9, March 23, April 13, April 27, May 4, May 18.

Adjournment: Meeting adjourned at pm by

Submitted by: Joan Taylor
