

2023-2024 INCOME CERTIFICATION-DEPENDENT STUDENT (MINCDP-#50)

This form to be filled out by Parent(s) (not student)

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) or California Dream Act application was selected for review in a process called "Verification." The law says that before awarding any Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA or Dream Act Application. To verify that you provided correct information we will compare your application with the information on this worksheet and with any other required documents. If there are differences, your corresponding application information may need to be corrected. At least one parent must complete and sign this worksheet in PEN ONLY, attach any required documents, and submit the form and other required documents to the financial aid office. You may still be asked for additional information. If you have questions about verification, contact The Financial Aid Office as soon as possible so that your financial aid will not be delayed.
