Your 2025-2026 Free Application for Federal Student Aid (FAFSA) has been flagged for "Unusual Enrollment History" by the U.S Department of Education because your received Pell Grant from multiple education institutions during the review period 2021-2022, 2022-2023, 2023-2024, and 2024-2025. This flag requires San Diego City College to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, San Diego City College will check the National Student Loan Data System (NSLDS) to obtain a complete history, including the name of institutions you have attended and the dates of attendance. If you have questions, contact us promptly so your financial aid will not be delayed.
