### Roles and Responsibilities:

An Advisor position is both a rewarding and challenging role. - 5) Provide leadership to the organization and implement policies and procedures for approval of funds requisitions and purchase requests (see Guidelines for Withdrawal of Club Funds).
- 6) Serve as a role model, facilitator and a resource to promote the correct use of college procedures, policies and business processes. I will promote good planning, organization and interpersonal relationships.
- 7) Be responsible for proper care of college facilities and ensure that all rules and regulations are adhered to in connection with use of facilities.
- 8) Travel to and from all events outside of San Diego County with the students. All off-campus travel must be in accordance with Board of Trustees Policy BP 3120, Off Campus Student Activities.
- 9) Be responsible for all club or organization expenditures. I will assist the Club Treasurer in monitoring club or organization expenditures.
- 10) Carefully review the Procedures and Operating Guidelines for Student Clubs/Organizations, BP 3200, published November 2015.

I will uphold and accept all of the responsibilities as outlined above and consent to be the Faculty Advisor for the above named Club/Organization. I also understand that in the event an advisor cannot continue in their role, the activities of the club or organization shall be suspended until a replacement is identified. I also recognize that BP 3200 addresses club sanctions, in the event that a club does not adhere to policies and procedures of the college and district at all times. I realize that in accordance with BP 3200, I will be recommended by the Dean of Student Affairs, the Vice President of Student Services and selected by the President of the City College.
