MISSION, ACADEMIC REGALIA & COLORS

COLLEGE MISSION STATEMENT

San Diego City College has as its highest priority student learning and achievement. The college provides lower division and general education courses that lead to certificates, associate degrees or transfer to a four-year college or university; career technical education programs that meet specific industry needs, upgrade the employment skills of students, and fulfill licensing requirements of the state of California as well as contribute to the economic development of our region; basic skills instruction to assist all students in meeting their educational goals; and essential student support services for all students.

ACADEMIC REGALIA AND COLORS

The custom of wearing distinctive dress for academic ceremonies goes back to the Middle Ages. Most of the scholars in the early universities belonged to religious orders and the robes and hoods identified them as belonging to a particular group. Their robes, caps, and hoods had a very practical purpose as the buildings where scholars lived, studied, and taught were cold and drafty. Academic dress, as we know it today, has changed little in the past 300 years. Hoods are worn by those with graduate degrees only, and the color represents the field of study.

Graduate Degrees Only

Blue Violet | Architecture

White | Arts, Letters & Humanities

Drab | Business Administration

Gold | Computer Sciences, Statistics & Science

Light Blue | Education

Orange | Engineering

Brown | Fine Art

Maroon | Home Economics

Crimson | Journalism

IN HONOR OF RETIRING CLASSIFIED PROFESSIONALS

Juliet Benjamin, Accounting Office

Leslie Ebner, KSDS Radio Station

Teresa Erbacher, Admissions Office

Joseph Kocherhans, KSDS Radio Station

Shirin Mohseni, Accounting Office, Supervisor

HISTORY

Land Acknowledgement: San Diego City College acknowledges that we gather on unceded Kumeyaay land. We value Indigenous knowledge and cultural worldview. We commit to providing transformative educational experiences for all campus members and guests as we examine practices that perpetuate harm against Indigenous, Black, Brown, and other marginalized communities. We pledge to sustain a meaningful and respectful relationship with the Kumeyaay and other Indigenous communities as we honor this beautiful land together.

Established in 1914, San Diego City College (SDCC) was the first community college in San Diego with 34 students and four instructors. Now, SDCC has more than 15,000 students and 1,300 faculty, administrators, managers, and classified professionals.

College classes were first held at San Diego High School, located across the street from the present campus. City College held classes at various locations, including the Park Boulevard campus of the State Normal School (now San Diego State University), the Ford building in Balboa Park (now the Aerospace Museum), Lincoln Grade School at 12th and E St., and a munitions warehouse at State St. and Market St. In 1956, construction started on the first buildings, which are the A and T buildings for the present campus.

Throughout the 1970s, the City of San Diego Redevelopment Urban Renewal Funds helped construct the beautiful, 60-acre City College campus in the heart of downtown. In 2000, the Educational Technology Center opened, and in 2003, the 67,000sf Learning Resource Center (LRC) replaced the 30-year-old library.

In 2005, the 2,000-seat Harry West Gymnasium opened as a new home for our award-winning City College Knights. Named after beloved Coach West, students enjoy three regulation basketball courts, six badminton courts, three volleyball courts, intercollegiate team rooms, workout facilities, and classrooms.

In 2009, we celebrated the long-awaited renovation of the former library building into a bustling Academic Success Center to serve as a centralized resource hub for students.

In fall 2010, the 88,900sf, five-level Career Technology Center became the new home for our expanding Cosmetology, Nursing, and Photography & Digital Arts programs, and the Campus Police. In addition to the Luxe Photography Gallery, it also provided 700 new parking spaces.

In spring 2013, the 66,000sf Mathematics, Social, and Behavioral Sciences Building opened. This five-story facility provides classrooms and laboratories for Psychology, Sociology, Philosophy, Humanities, Anthropology, Alcohol and Other Drug Studies, Human Services, Peace Studies, Futures Studies, Gender Studies, the Institute for Human Development, the Corporate Education Center, and the District's Military Education program. A seven-story, 400-stall parking garage is adjacent to the building.

In spring 2014, Life Sciences and Physical Sciences celebrated the opening of its new 98,000sf Science Building. The four-story facility includes classrooms, labs, an outdoor teaching garden, a rooftop observation deck, and a planetarium. In fall 2015, the Arts & Humanities and Business Technology buildings welcomed new students for classes in the Visual Arts, English, Speech and Foreign Languages, Business Studies, and Computer Systems. The City Fine Arts Gallery and Sculpture Garden host numerous exhibitions throughout the year.

In 2015, the new Student Affairs and Scholarship Office opened, providing a welcoming gathering place for our Associated Students Government, the Inter-club Council, and student clubs.

In 2016, the Center for the Media and Performing Arts opened as a new space for Dance, Drama & Theatre, Music, and the Radio, TV & Film departments, including the Hope Shaw Studio for the student-produced Newscene program.

In 2017, the \$58-million renovation of our oldest buildings (A, D, T) got underway. Completed in 2018, the project provides new homes for many operations, including Business Services, Student Services, and the Engineering, Agriculture, and Child Development departments.

In 2019, the newly-completed renovations of San Diego City College's Student Services & Administration Building (A Building) and Engineering & Technologies Building (T Building) have been awarded Gold certifications under the U.S. Green Building Council's (USGBC) Leadership in Energy and Environmental Design (LEED) program.

In 2021, construction of the new Early Education Center was completed. The 10,000 s.f. Center houses classrooms for infants, toddlers, and preschool children; and a 10,000 s.f. playground.

HIGHLIGHTS

San Diego City College will offer a Bachelor of Science degree in Cyber Defense and Analysis, which is scheduled to launch in fall 2024. This is a first in the college's 108-year history and the second bachelor's degree offered in the district.

The college's Nursing Program ranks second in the state and third in the nation for best nursing school in California, according to RNCareers.org. For academic years 2019-20 and 2020-21, with both years having a cohort of 52 nursing students, the National Council Licensure Examination (NCLEX) for registered nurses pass rate was 100%. In academic year 2021-23, the pass rate was 98.41% with a cohort 63 students.

City College was awarded a \$2 million Asian American and Native American Pacific Islander-Serving Institutions (AANAPISI) grant funded by the U.S. Department of Education. The grant, which will provide \$400,000 a year over the next five years, will enable the college to improve and expand its capacity to serve Asian American, Native American Pacific Islander students, and low-income individuals.

Alumna Katya Echazarreta became the first Mexican-born woman and the youngest American woman to travel to space as part of the part of the six-person crew of Blue Origin's NS-21 mission.

The college hosted a land acknowledgement event and celebration of our local Kumeyaay people. The event included a lunch, a performance by Kumeyaay bird singers, a tour of the Kumeyaay mural and Climate-threatened Bird mural located in the AH Garage, and a film screening of Saging the World in the City Gallery.

Award-winning Graphic Design program ranked as the top educational program of its kind in the world by a London-based, graphic design industry nonprofit. City also ranked second in the World Brand Society's Global Design Education Ranking, which is based on cumulative number of points and awards secured in its competitions. City was the only community college on the World Brand Design Society's lists for 2022-23.

The Intercultural Centers in L-206 opened its door for in-person engagement on a regular basis for students to access the First-Gen Hub, Pride Hub, and Womxn's Hub. The Dreamer Resource Center in AH-200A also opened its door on a regular basis.
