EDUCATIONAL ASSISTANCE (EA) CLASS COURSE REPETITION

The District is authorized to permit additional repetitions of EA courses to provide an accommodation to a student's disability-related needs pursuant to state and federal non-discrimination laws. EA classes are defined as those with DSPS subject area or where the instructional activities are designed to address the educational limitations of students with disabilities. Special circumstances for additional repetitions should include the following conditions: (This is the enrollment of this course.)

___ A. When continuing success of the student in other general and/or EA classes is dependent on additional repetitions of a class. Explain reason:

___ B. When additional repetitions of a class are essential to completing a student's preparation for enrollment into other regular or EA classes. Explain reason:

___ C. When the student has an Academic Accommodation Plan (AAP) which involves a goal other than completion of the class in question and repetition of the course will further achievement of that goal. Explain reason:

REMEDIAL COURSE LIMITATION WAIVER

Students identified by the district as having a learning disability (section 56036) may enroll in remedial coursework beyond the usual 30 unit limit.

This student qualifies for a waiver (section 55035d) due to a disability and has shown significant, measurable progress toward skill development. (one waiver per class per semester)

Current Academic Accommodation Plan (AAP) on file in DSPS office. Yes ___ No ___
