SDCC Student Health Center &
TimelyCare Present:

TimelyCare Overview

Student Virtual Health & Well-Being Resource

TimelyCare, a student-centered platform, provides City students FREE on-demand health & wellness support. While the Student Health Center is the **FIRST STOP** for student health needs, this partnership offers access 24/7; evenings, weekends, and during semester breaks! There is also a dedicated line for faculty/staff concerned about a student. Join us to learn more!
